

Fellows Makes it a Dozen, Rookie Star Welch Wins Second August 9 at Claremont

By Gary Dutton

CLAREMONT, NH—Rookie open-wheel blaster Kyle Welch won his second Sportsman Modified feature Friday, August 9, at Claremont Motorsports Park, while the man they call The Superman, Croydon's Aaron Fellows, ran his 2019 unbeaten streak to 12 at the Thrasher Road speedplant.

Street Stock kingpin Chris Riendeau scored his third victory of the summer, keeping atop the championship points parade, while Seth Melcher earned his third Pure Stock victory lap, and Paul Colburn made it two-on-the-season in the Six-Shooters.

Alyssa Rivera and Welch sat on the front row of the Pepsi Sportsman Modified feature, with Lempster's Welch jumping all over the opening lead. Kenny Thompson led the early-race pursuit pack, with Dana Smith grabbing the deuce on lap four.

With Smith finding the outside groove unfriendly on lap 23, division ace Brian Robie bolted to second but on this night, nobody would catch the sizzling Welch, as he rocketed to his second feature win of the summer. Robie was the runner-up, Smith came home third, with Kenny Thompson and Alyssa Rivera rounding out the top five.

Tyler Lescord led lap one of the R.E. Hinkley Late Model Sportsman main event, then giving way to Charlestown strongman Ben Poland, who's spent his summer putting together strong second-place runs.

This one would end no different. Fellows, firing from row four, led by a wheel as lap 14 went in the books and then put it in cruise control as he ran his unblemished winning streak to a dozen. Poland, strong all night, settled for another second, with former track champ Jack McClay earning his first trophy of the summer in third.

Chris Riendeau started up front in the Casella Street Stock feature, never looking back as he sped off to his third feature win this summer. The win, though, didn't come easily.

Riendeau led most of the race with Dave Greenslit in his back pocket. Greenslit never found the moment's fortune he needed, though, taking the checkers glued to Rien-

deau's bumper. Briana Akusis recovered from an early-race jingle to score her first podium finish of the summer.

Sunshine Towner Jim Carley led the first 12 laps of the Pure Stock 25-lapper, with Seth Melcher then taking command and, after surviving a late-race restart, darting off to his third win of the year. Carley, solid all night, was the runner-up, with rookie whiz Bruce Adams earning the three-spot.

Paul Colburn took the lead from Eric Prescott on lap four of the caution-free Six-Shooter feature then drove away to score his second career win. Points leader Jeremy Blood was second, and Eric Lanou came home third.

With the Senior Tour Auto Racers making their annual CMP visit, and speedway announcer George Powers handling their chief starter duties from mid-track, Bob Seward topped the STAR Sportsmen and Art Hannaford won the STAR Modified feature.

Hannaford, aboard his immaculate 1973 Pinto machine, from Winthrop, ME, led Jim Allen, in a 1967 Mustang, and Jaffrey's Tom Trempe, piloting a 1965 Mustang open-wheeler, under Powers' checkers.

Seward's Lee, MA.-based 1938 Plymouth Coupe, took the checkers ahead of Jim Torok's 1978 Pinto Sportsman and Skip Stearn's 1937 Chevy Coupe.

Claremont Motorsports Park will be idle next Friday, August 16, as the popular third-mile oval takes its annual Cornish Fair weekend break to allow its fans and racing competitors the opportunity to attend the nearby fair. It will return to action on August 23.

Stevens Touchdowns Against Cancer 2019

CLAREMONT, NH—Stevens Football is pleased to announce that it will again be participating in the Touchdowns Against Cancer Campaign for 2019 to benefit the St. Jude Children's Re-search Hospital in its fight to end childhood cancer. "We have participated for the last three years in helping raise money for such a great cause," said Coach Paul Silva. "Supporters can pledge a certain dollar amount per touchdowns scored over the four

games played during the month of September, which have been designated for the Touchdowns Against Cancer Campaign."

Donors can also make a one-time donation, as well, through the designated team page. Donations are tax deductible.

"The Stevens football family lost someone very close to us to this disease so we under

stand all too well how it can affect anyone," said Silva. "We will continue to proudly wear the #87 decal in honor of Eli, 'Once a Cardinal, Always a Cardinal'. In last year's efforts, we raised \$581, first in New Hampshire and 45th in the country. If we can help even one child, then we feel this will have been worth our efforts. Last year we were one of just two high schools in New Hampshire participating in this campaign. Our goal is to raise \$1,000 this year."

Report Summer Wild Turkey Brood Sightings

CONCORD, NH — The summer Turkey Brood Survey ends August 31 and the New Hampshire Fish and Game Department needs your help. Get online and report your sightings of hen turkeys, with or without young, at www.wildnh.com/surveys/turkeybrood.html.

The survey provides data which helps NH Fish and Game biologists determine the productivity, distribution, and abundance of wild turkeys throughout the state.

"Observations made in late summer are especially important," said Fish and Game turkey biologist Ted Walski. "Those young who have survived into August are likely to become adults, so these August sightings provide the best index to summer breeding success and productivity."

Some helpful background for turkey observers: The term "brood" refers to a family group of young turkeys accompanied by a hen. New Hampshire hens generally begin laying eggs from mid-April to early May and complete their clutch of about 12 eggs in early to mid-May. Incubation lasts for 28 days, and most nests hatch from late May to mid-June. If incubating turkey eggs are destroyed or consumed by predators, hens often lay a replacement clutch of eggs that hatch late June through late August.

Palacios Goes Deep Again, but NH Edged by Erie, 3-2

MANCHESTER, NH—Josh Palacios homered and top Blue Jays pitching prospect Nate Pearson struck out eight batters over six strong innings, but the New Hampshire Fisher Cats (Blue Jays Double-A affiliate) dropped a 3-2 decision to the Erie SeaWolves (Detroit Tigers) on Saturday night at Delta Dental Stadium.

Pearson finished after six innings, allowing two runs on four hits and three walks. After a pair of strikeouts on 101-plus mile per hour fastballs to start the sixth inning, Pearson surrendered a game-tying homer to Kody Eaves.

Chace Numata went deep for Erie in the seventh off reliever Corey Copping (L, 1-2) to give the SeaWolves a decisive 3-2 edge.

Palacios drilled the second pitch of the bottom of the first inning over the right field fence to give the Fisher Cats an early 1-0 lead.

Erie came right back to tie the game in the second inning. Daniel Pinero doubled down the left field line and scored on a single to center by Sergio Alcantara.

New Hampshire moved back in front in the bottom of the fifth inning when Kevin Smith doubled and Forrest Wall singled him home for a 2-1 advantage.

Trailing 5-1 in the fifth inning, the New Hampshire Fisher Cats (Blue Jays Double-A affiliate) broke through for a five-run rally en route to an 8-5 win over the first-place Erie SeaWolves (Detroit Tigers) on Sunday afternoon at Delta Dental Stadium.

After Monday's off day, the Fisher Cats hit the road for a four-game, three-day series with the Binghamton Rumble Ponies (New York Mets) at NYSEG Stadium.

Inspiration

Use It Up

By Priscilla Hull

Use it up.
Wear it out.
Make it do.
Or do without!

How many have heard this little saying throughout the years, especially "back in the day", as we now say of times gone by. It was first coined, it is said, by Calvin Coolidge and used as a slogan during the Great Depression of the 1920s. I fear that we've gotten away from this adage in our modern world. We live in a throwaway world today. When something breaks, just throw it away. Our electronic devices become obsolete and we throw them away. When a new model, game, car, toy comes out, what do we do with the old? We throw it away! We are a throwaway society. We are a society of built in obsolescence.

What happens to the stuff we throw away? It spoils the ocean. It muddies the rivers and streams and lakes that once were so crystal clear and blue. It makes the forests, meadows and fields lose their luster. People leave trash on the side of the road, spoiling our view and the beauty of the mountains and yes, even the cities.

When we do take it to a land fill, we bury it and eventually this changes the terrain. It changes the drainage pattern. It modifies the environment in an unnatural way. The alternative is to burn it. What do the large incinerators do? There is always residue which needs disposal. Where do we dispose of it. The process of incineration produces invisible gases which then pollute the very air we breathe.

What is the solution? My Dad regularly said to us the above adage, "Use it up. Wear it out. Make it do or do without." He lived and breathed in this thing all of his life. He and Mom made hand puppets. The used cheap dime store dolls, he'd cut off the and hands and then Mom would sew the clothes using remnants of the fabrics that she had used making clothes for us. He had a well equipped work shop and hanging around the ceiling were numerous head and handless dolls. I never knew what happens to all those doll bodies. We didn't take them with us!

What is this solution? There are many things that could be "repurposed" today. We could/should think before we throw away things! Make a butterfly feeder out of an old plastic bottle. Take the dress you wore once to a party to a thrift shop. Even vintage clothing sells well. Make a wind chime from old hangers and flatware. Give blankets and bedding to an animal shelter. I could go on, but it's your job, too.

Repurpose things, or use repurposed things from another source. Visit second hand shops. Canvas yard sales. Save the environment for new generations!

Always think, how can I use this again. Also think, do I really need this. Be aware of the impact each one of us has on the environment and things around us.

Exodus 19:5-9

"Now then, if you will indeed obey My voice and keep My covenant, then you shall be My own possession among all the peoples, for all the earth is Mine; and you shall be to Me a kingdom of priests and a holy nation." These are the words that you shall speak to the sons of Israel."

Junior Apprentice Program Available Daily at American Precision Museum

WINDSOR, VT—The American Precision Museum announces its Junior Apprentice Pro-

gram for children ages 8-12, available for \$5.00. The program runs daily through Oct. 31, 2019. Students pay a one-time \$5.00 admission fee and complete the Junior Apprentice booklet while exploring the museum during their visit. Each Junior Apprentice will receive a badge that serves as a Saturday admission pass for the remainder of the season. Junior Apprentices join in guided activities in the Museum's Learning Lab each Saturday, including beginning coding, basic robotics, and 3D design & printing.

"Becoming a Junior Apprentice is a terrific way for young visitors to become familiar with the Museum and take advantage of all the STEM learning opportunities we have to offer," said Scott Davison, Director of Education. "They'll receive hands-on experience with everything from building simple machines to programming robots. We have a lot of fun."

The \$5.00 one-time museum admission applies for participation in the Junior Apprentice Program. Children must be accompanied by an adult on each visit.

The American Precision Museum located in the 1846 Robbins & Lawrence Armory, a National Historic Landmark, traces the beginnings of manufacturing to modern technology through exhibits and interactive programs. Open daily, Memorial Day Weekend through October 31, 10:00 a.m. to 5:00 p.m.

Come in and sign up, pick up a calendar so you don't miss any of the great programs!

Celebrate New Hampshire Eat Local Month With The Acworth Village Store

ACWORTH, NH—This August, The Acworth Village Store will join over 70 partners throughout the state to highlight New Hampshire Eat Local Month -- a month-long celebration of local food and New Hampshire farmers and food producers. Increased interest in local food benefits us all by positively affecting the health of the economy, communities, and environment.

"New Hampshire residents and visitors, alike, are showing unprecedented interest in local food, and this month-long celebration offers a great opportunity to feature New Hampshire grown foods and farms," said Gail McWilliam Jellie from the New Hampshire Department of Agriculture, Markets & Food.

As part of the NH Eat Local Month festivities, The Acworth Village Store (located at 1068 Route 123A, South Acworth, NH) will be presenting these events:

- There is our very popular Saturday Night Pizza Night, which is every Saturday Night from 5:30 PM to 7:30 PM. Enjoy freshly made pizza, with some locally grown toppings, from our outdoor clay oven and listen to live local music.

- On August 10th, as part of our Pizza Night, we will also be hosting an Ice Cream Social, featuring an ice cream topping bar. Kids and adult portions will be available. Come on over and enjoy time with friends and family!

- We also will be hosting our annual Harvest Dinner, on August 24th, at 6 PM. Come celebrate the harvest with us! - Our annual Gala Event featuring a multi-course meal which showcases deliciously prepared locally harvested foods. Limited Seating. Tickets can be purchased at the Village Store at the end of July.

The celebration also includes a virtual scavenger hunt, buy local campaign, story sharing from farmers and businesses, and events hosted by NH Eat Local Month partners.

The organizers of these events said, "We are interested in letting everyone know about these events taking place at the Acworth Village Store. We work very hard to host these events for the benefit and enjoyment of our community, and also as a way to help sustain

the Village Store's operations. The Acworth Community Project is the body that runs the Acworth Village Store, which is a Community Owned - non-profit business. It relies on local patronage and donations to serve the community with fun events, terrific food, and a convenient, yet charming, local grocery all wrapped up in small town atmosphere. We hope that people stop by for some of our famous fresh store made donuts and coffee or for a few groceries and a hot delicious breakfast or lunch! We sell many locally produced foods, such as eggs, honey, maple syrup, cheeses, meat, and more! It's a great community gathering place, and we love to see new faces!"

6 Do's and Don'ts of Getting a Job

Do: Be enthusiastic

Focus on jobs you're passionate about, or talk about aspects of those positions where you feel you'll be able to find something you enjoy.

Do: Make notes right after

Jotting down some key points while they're fresh in your mind will help you give some specifics in your thank-you email (another must-do after every interview) and, potentially, nail the follow-up.

Do: Ask your own questions

If you've done plenty of research anyway, you might as well take advantage of it and come up with a few questions beforehand that show you're really interested in the position or what the company does as a whole. That little extra bit of enthusiasm and go-getter attitude will likely serve you well.

Don't: Show up unprepared

Do as much research as possible beforehand so you know what the company does, what its corporate culture is like and so on, so you don't end up saying the wrong thing in response to a question.

Don't: Bring your own drink

This is a mistake entirely too many people make, Monster added. While you may stop for a coffee or bottle of water before your interview, many hiring managers can be put off if you bring it into the interview, because it can be seen as informal.

Don't: Underdress

The general rule of thumb when interviewing for a position is to dress "one up" from your role, Inc. noted. That is, if your office is business-casual, wear a suit. If it's casual, wear a shirt and tie.

World Under Wonder to Perform "Beauty and the Beast"

Ascutney, VT

August 16th and 17th at 7pm, August 18th at 2pm

World Under Wonder Playhouse will perform a new adaptation written by the Executive Director of World Under Wonder, Sean Edward Roberts, based on the French folktale by Gabrielle-Suzanne Barbot de Villeneuve. With this Steampunk inspired musical interpretation, the characters' vibrant costumes and choral unison should leave you excited for future work at WUW. Audience members will be welcomed into the message that beauty is deeper than skin.

Many different theatrical effects will be implemented in this show to make it immersive and exciting for the audience, including haze machines, projections, and LED lighting within costumes.

Before the show, audience members may enjoy vegan steampunk cupcakes. At intermission, audience members may take part in the steampunk costume contest for free tickets to future shows, and a silent steam punk art auc-

tion. Stay after the show to take photos with the cast.

This World Under Wonder production of "Beauty and the Beast" is being directed by WUW's new Artistic Director Sam Maskell, who will be bringing this production to life with the help of Carol Cronce as Musical Director and Israel Cavanagh as choreographer. With a cast of 20+ and a tech crew of 15+, WUW is ready to bring you a production you won't forget.

Only 100 tickets available per performance. Tickets, \$10 for general admission and \$5 for those under 18, over 65, or veterans. Tickets are available by emailing director@worldunderwonder.org or by calling ticketing at 603-381-3344. You may also find World Under Wonder on Facebook and message the page for tickets. If you wish to become a sponsor of this production, please email WUW for sponsorship information. World Under Wonder Playhouse is a non-profit 501c3 charitable organization located in Ascutney Vermont.

Jon C. Orvis, 79

Jon Ceylon Orvis passed away on Wednesday morning August 7, 2019, at his home in Newport, VT. Jon was born on March 10, 1940, to Gladys (Olmstead) and Ceylon Orvis in Middlebury, VT., where he grew up. He was an alumnus of Middlebury High School (1958) and Keene State College (1962), where he also played college football.

Jon retired in 1996 after a 34-year teaching career of which 30 years were spent in the Claremont School District. He also served many years as both an assistant and head coach for the Stevens High School football program, and he was a founding director of the city's Pop Warner football program. In addition, Jon served as an officer of the Claremont Elks and he was a member of the Claremont Lions and Jaycees. He dedicated significant time to fundraising activities in support of student scholarship programs. Jon enjoyed following and attending the athletic events of his grandchildren and professional teams such as his beloved Red Sox, fishing, and spending time with his family and friends. In retirement, he and his wife of 56 years, Victoria (Stone), divided their time between warm winters in Arizona and pleasant summers in Vermont.

Jon is survived by his wife and their children, Kathleen Pecue (and husband Greg) of Derby, VT, and Scott Orvis of Durham, NC; four grandchildren, Taylor Pecue (and wife

Haley), Emily Pecue, Benjamin Pecue and Claire Orvis; three brothers, Dickerman Orvis, James Orvis and Joseph Orvis. He was predeceased by his parents and two brothers, Jerry Orvis and Oliver Orvis, and one sister Sister Marie Rosaire (Gwen).

Visiting hours will be held on Monday, Aug. 12th, from 1 to 3 pm at the Stringer Funeral Home, 146 Broad Street, Claremont, NH, with a prayer service at 3 pm with the Very Rev Father Shawn Therrien VG officiating. Burial will follow at St. Mary Cemetery.

Please consider a donation to the Orleans Essex VNA & Hospice Inc., 46 Lakemont Road, Newport, VT, 05855 in lieu of flowers.

Claremont Senior Center, Inc.

As Summer winds down, we are already planning events, suppers and activities for the Fall. Several things were discussed at the board meeting that we think you are really going to enjoy. When the ideas are finalized, our newsletter will be bursting with more fun than a squirrel full of acorns.

Our knitters have embarked on a project and need your help. Here is their letter:

WANTED-Knitters and people who want to learn to knit! We meet at the Senior Center Fridays from noon to 3PM. Some of us bring our lunch.

We happily eat our lunch and have interesting conversation. We have a goal of making 36 sets of hats and mittens for the children at Head Start. We need help meeting that goal this year. Knitters who can't meet with us, but who could knit some for us may call Cindy Barriger at 542-4048 for information about yard, patterns and sizes. We'll be happy to meet with anybody at the Senior Center as well.

Please help if you can. This is a very important project for the knitters. Any yarn contributions may be left at the Center.

On Sat. Aug. 17th at 6:30 PM, we will welcome the Kearsarge Community Band to the last of our concert series. This proves to be a wonderful evening as the Band is well known in the area for their versatile music. Thank you to Mascoma Bank, Doolittles and Century 21 for sponsoring this event. As usual, food will be available at 5:30 PM. Fun will be available all evening. Open to the public.

The Men's Breakfast resumes on Mon. Aug.19th at 8AM. Served at 8:15 will be pancakes, sausages or bacon, juice and coffee. Members-\$2, non-members-\$3. Open to the male public. Sorry girls! However, everyone is invited to the Center on Tues. and Thurs. for lunch at 11:45AM.

Menu: Tues, Aug 13-Salad, Spaghetti with Meat Sauce, Garlic Bread. Chocolate Pudding. Thurs. Aug. 15th-Birthday Celebration-Pot Roast, Mashed Potato, Gravy, Pacific Grande Vegetables, Birthday Cake. Members-\$4, non-members-\$5. Open to the public.

The Senior Center Car Show plans are about completed. All the committee heads and many volunteers are working hard to make this the biggest and best car show so far. We expect about 200+ cars. This is a major fund raising event for the Center so please support it any way you can. Sun. Aug. 25th, 9AM-2PM. 10 Classes, 33 Trophies, Food, DJ, 50/50, Door Prizes and over 100 years of auto history.

Quick Takes: FOOR CLINIC-WED. AUG. 14TH & 21ST.

Special Thanks!! Those pool guys are really something and fussy. They keep the pool room in tip-top shape. So, this week, they chipped in and had the rug in the pool room cleaned. Bravo!!

We are open 9AM-3PM, Mon-Fri, 6PM-9PM Tues and Thurs., 1PM-4PM on Sundays. Bring a friend or two to play cribbage or cards, knit, read, or just watch TV and talk. Trial memberships are still available.

Have a good week everyone.

Lively conversation and laughter are always welcome and encouraged here.

Family Movie Night Review: *Detective Pikachu*

By Bernadette O'Leary

Based on the Nintendo 3DS game, *Detective Pikachu* tells the story of a young man, Tim Goodman (played by Justice Smith), who travels to the home of his father, Detective Harry Goodman (played by Ryan Reynolds), after the man goes missing. Upon arriving, Tim discovers Detective Pikachu, Goodman's smart-mouthed Pokémon partner. To the surprise of both, Tim can understand everything Pikachu says. The two realize that Goodman is still alive, and they embark on an adventure to find out what happened to the man. Directed by Rob Letterman and starring Ryan Reynolds, Justice Smith, Kathryn Newton and Bill Nighy, *Detective Pikachu* takes the viewer on a ride through a world of mysterious creatures with Pokémon battles and a land where human and Pokémon live in harmony with one another. As our heroes seek answers, they have to discern fact from fiction and friend from foe along the way.

There are two classes of people: those who love Pokémon and those whose hearts are filled with dread by their children's words exclaiming, "Hey, watch Pokémon with me!" My son, age 13, was the former, with me being the latter. Hopes of the child forgetting about the film's release on DVD were dashed when he proudly proclaimed that it was time to go to Redbox. In spite of the motherly misgivings and dread, my review of *Detective Pikachu* surprises even me.

This movie earns an enthusiastic 5-Cross rating for fun, frivolity, humor and adventure. The talent, plot and storyline were equally fantastic. Whether you are a huge Pokémon fan, one who dreads the thought of your children watching Pokémon, or among those who just don't care, *Detective Pikachu* just might be for you. I highly recommend this film to viewers of all ages. The best part about this movie is that, not only is it good entertainment for the whole family, but you don't have to know anything about Pokémon or its characters to enjoy it.

For your next family movie night, or if having a date night with someone who enjoys a light-hearted, fun film, pop the corn and rent *Detective Pikachu*.
