Springfield Wrestlers Flex Muscles at Recent Meets

SPRINGFIELD, VT--A recent dual meet with Burr & Burton netted the varsity wrestlers "Green Machine" a 36-30 win, adding a fourth win to their undefeated status at dual meets this season. The team also racked up 6th place out of 20 teams competing at the two-day Mike Baker Classic Essex Invitational. Individual placers were Jayson Webster, Matt LaChapelle, and John Stafford Jr each in 2nd place; Lucas Saunders in 3rd; Trent Briere-Lewis in 5th place; and Peter Berlenbach in 6th place. Additional excellent effort was put forth by Skyler Congdon, Skylar Wallace, Gillian Guy, Brandon Bennett, and Bradley Bennett. Saunders' bronze medal was sweetened by his first time defeating a long-time opponent.

Essex High School also hosted a pre-season K-8 tournament, at which 15 of our younger grapplers faced down tough opponents, many from other states. First timers as well as seasoned "veterans" hit the mats; kindergarten Sophia Perry earned

her first win ever, and returning wrestler Dmitri Jasinski nailed the gold medal in his 3rd/4th grade bracket. Excellent effort was put forth by every wrestler - Seth Markwell and his brother Noah each collared third place, and first-year junior high wrestler Tim Amsden impressed his coaches as well as his competitors with strong effort; Coach Floyd Buck observed great improvement in Amsden's technique. Bryan Stafford, also 8th grade, brought home a bronze medal.

The flu is hitting Springfield hard, and the wrestling team isn't exempt. Despite many wrestlers and a coach being out due to illness, the varsity and JH "Green Machine" hit the mats at full power in Vergennes, VT, on Janu-

ary 27th. Leading the pack was 8th grader Bryan Stafford with a first-place trophy. Coming back strong from a shoulder injury, senior Mason Olney nailed a second place spot on the podium; senior Lucas Saunders also took home a silver medal, after a brutal nail-biter of a match against a tough NY opponent. Recovering from flu, senior John Stafford Jr collared a respectable 4th place on the podium. Also battling it out in Vergennes were Skylar Wallace and Skyler Congdon; seventh grader Cole Wright also put forth a solid showing.

cats on Friday night. The junior Cardinals also had just the single game while the JV 2 Team played 3 games.

The varsity team used a stifling defense and generated enough offense to get over the .500 mark moving to 7-6 on the season with a 43-27 victory over Hillsboro. Drew Grenier and Luke Come paced the Cardinals with 11 points each, and Come also hauled down 13 rebounds! Damon Roy had 6 points, and Derrick Stanhope and Tanner Durkee each had 5 points, with Durkee grabbing 12 rebounds.

The junior Cardinals were not as fortunate as they lost 41-39 to a Hillcat team coached by Ryan Hoyt, who went to school and played at Stevens. Owen Taylor led the Cardinals with 9 points and had 8 rebounds. Alex Taylor and Ty Bonneau had 6 points apiece, and Quentin Bicknell had 8 rebounds.

Both teams will be in action twice this week. The Boys will host the Fall Mountain Wildcats on Monday evening. On Monday, the varsity girls (5:30) and boys (7:00) basketball teams will be hosting Fall Mt. in the 3rd Annual Pink Games to raise money to battle cancer. Monetary donations will be gratefully accepted for the Norris Cotton Cancer Center at the Event Entrance. The boys will host the Con Val Cougars on Thursday evening at 7:00. The JV boys and girls will travel to Fall Mountain on Tuesday with the girls playing at 5:00 and the boys at 6:30. The junior boys will play Con Val at 5:30 on Thursday.

The JV 2 Boys traveled to Hanover on Monday and dropped a 39-31 decision. Brady Moote had 10 points to lead the team. Dylan Lumbra had 6 points, and Robert Woodhams, Jr., and Anthony Abella had 4 points.

On Tuesday the team hosted the Windsor Yellow Jackets. Windsor earned a 51-28 victory. Dylan Lumbra led the Cardinals with 13 points. Sam Sweet scored a season high 6 points, and Cameron Travis scored his first 2 points on a short jumper.

On Friday night, the JV 2 team opened up the tripleheader at Frederick Carr Gymnasium and nearly came away with their first victory but dropped a hard fought 36-28 decision. Dylan Lumbra scored 8 points, David Malonson had 7 points, and Isaiah Forrest had 5 points.

Pigskin 5K Fun in Claremont...

The cold, wind and spitting snow didn't deter over 120 runners/walkers from taking part in the annual Crown Point Pigskin 5K on Super Bowl Sunday, Feb. 4, in Claremont. The kids race was won by 10-year-old Thomas Demars (top right). The adult race got underway at 11:00 a.m. and had a close finish between overall winner Josh Fields and 2nd place Michael Demars (top left). The female winner was Brandy White (bottom right). All the racers enjoyed the run and many headed home to prepare for the Super Bowl, including Harper Goggins (bottom left), turning 3 in April, who ran the whole kids' race and loves her medal! Inspiration

Big Moon

By Priscilla Hull

We started the year with a full moon. The January full moon is known as the Wolf Moon. Tradition says that the full moon in January is always cold and that this moon was so named because in this dark coldness the wolves howled outside of the villages, both in Europe and in the new world. I didn't hear any wolves howling, but maybe some coyotes calling!

The second full moon of January is simply called Blue Moon. Because January had two full moons, February doesn't have a full moon. There just aren't enough days! Of course that means that March will also have a blue moon! Just two blue moons in 2018!

Both of January's full moons were also Super Moons. A Super Moon comes about when the moon is in its closest orbit around the earth. The moon appears larger and brighter as it shines through your bedroom window and keeps you awake through the night. I think that when Robert Clement Moore wrote "The Night Before Christmas", he was seeing a super moon. It is so bright with snow reflecting the moonlight back at us that you really could read without additional light.

The moon is a strange and mysterious thing in our lives. The sun gives warmth and light. The moon phases bring light but much more. My mother, a farmer from birth, always planted her garden or transplanted things in pots by the moon phase. Her garden and plants always grew strong and healthy. "Plant as the moon is waxing (the first half of the moon's phase) and your plants will grow strong and healthy," she used to say. I planted tomatoes this past year and didn't attend to moon phase. They didn't do well. I've got to get back to playing with the moon. Are there more babies born during the final phase of the moon? Statistics do not support this although we find that people generally do believe this is true.

The moon does control the tides. So why not us? Many people have a sort of full moon insomnia. Is it the gravitational pull of the full moon or is it that the light of the moon shining in the bedroom window? During this Blue Moon of January, a week ago, the moon was so bright in my window in the early morning that I was awake watching it. It was a beautiful thing to see. Without a doubt this was a bright beautiful moon. It was worth getting up to see.

There are lots of myths connected to the moon! Many are related to romantic encounters. We talk about the man living in the moon. The Chinese believe it is a woman living in the moon! The indigenous people of our country have a myth that the moon was stolen and pair of antelope are trying to recover it. A coyote grabs the moon and throws it into a river each night! Do you suppose that's where Andy Williams got the idea for his song Moon River? Whatever your favorite myth about the moon, enjoy it.

Enjoy the moon and its mysterious pull on life. Enjoy the beauty of the moon in all its phases. The new crescent moon is as beautiful as the full moon!

Let them fear You while the sun endures, And as long as the moon, throughout all generations. Psalm 72:5

A Night of Remembrance Planned in Newport

NEWPORT, NH--There will be A Night of Remembrance on Saturday, Feb. 16, from 5:00 to 6:30 p.m., at the South Church, located on 20 Church Street in Newport. There will be a dinner, craft project, and brief ceremony lead by Eliot Fay, pastor at South Church. The free event is sponsored by SAU 43 and TLC Family Resource Center.

The remembrance is for those children, youth and their families who have lost a loved one, said Stacey Hammerlind, Family and Community Coordinator for SAU 43.

"SAU 43 is honored to be involved in this project as a way to offer support to the many students who have been affected by the loss of a parent or a caregiver. Working with other organizations in town strengthens us as a community and helps assure that all youth who would benefit from this event are invited," she said.

"Loss of a parent or other loved one is difficult at any age. Children may not have the language to express how they are feeling, what fears they may have around the loss. They also may feel that they are alone in this situation. Sharing a meal and activities with others struggling with the same issues lets them know they are not alone," Hammerlind continued.

The event is an extension of the support TLC offers to families in the community.

"There are so many children in the community who have lost loved ones. Events like this are one way for TLC to show support for them, whether or not we may have worked with the family, and the whole community," said Liz Morse, a parent educator for TLC.

For more information, to make a donation towards dinner, or to volunteer to help at this event, please call Hammerlind at 603-454-8271 or Morse at 603-542-1848.

SAU No. 43 serves students in Newport, Croydon, and Unity. TLC Family Resource Center, located in Claremont, supports and strengthens all families, children, and youth of Sullivan and Lower Grafton counties with a wide range of free programs, support groups, education, and events.

"Spirit of Johnny Cash" Returns to COH

CLAREMONT, NH--WCNL Country AM 1010 / FM 94.7, Common Man Inn & Restaurant and Claremont Opera House welcome the return, by popular demand, of "The Spirit of Johnny Cash" starring Harold Ford as Johnny Cash and featuring the Red Hot Cash Band at the historic Claremont Opera House Saturday, March 10, 7:30 p.m. The "Spirit of Johnny Cash" name resulted from fans telling him that he was channeling Johnny Cash's spirit. Random strangers would come up to Ford and say, "Did anybody ever tell you that you look like Johnny Cash?" After hearing this for a while Ford started replying "You're the first one today."

This is what country music is all about - the music of Johnny Cash. The Nashville music press has hailed this show as a "must see to believe." Ford is incredible as Johnny Cash.

Ford bears an amazing resemblance to Cash, both vocally, and physically. Ford and his Cash Band have, in fact, been invited to play in Nashville, as the first Cash tribute band to be formally asked to do so, after Johnny's death. Ford stated he didn't intentionally set out to be a Cash tribute singer, but people are demanding that he does so.

Ford is the only Johnny Cash Tribute Artist to be endorsed by John's Brother, Tommy Cash. "You have my brother's voice. John would be proud." said Tommy Cash. Cash and Ford have also agreed to join ranks and perform together for select shows.

Ford's performance as a Johnny Cash Tribute Artist is exceptional, his striking resemblance to Cash in appearance, persona, and voice, elevates him to a class of his own. The "Spirit of Johnny Cash" returns to Claremont Opera House, Saturday, March 10, 7:30 p.m. Tickets \$22 can be purchased online at www.claremontoperahouse.org, by calling 603-542-4433 or in person in the Claremont Opera House Box office in City Hall at 58 Opera House Square.

Program on Benjamin Franklin Coming to COH

CLAREMONT, NH--"Benjamin Franklin: America's First Citizen", will be performed at The Claremont Opera House on April 6 at 10:00 a.m.

Patrick Garner, 20-plus year Broadway, television, and movie veteran, brings to life the nation's favorite founding father, the man who tamed lightning and conquered crowns, to demonstrate how a life of self-discipline, inquiry, public service and a genuine love of life led to international fame and the gratitude of a nation. This 45-minute performance is recommended for ages 5 and up.

Garner's work in children's books led him to found his own company, HISTORY'S ALIVE!, to help students not merely learn history but learn from history. Now in its 10th year, and seventh year associated with Theatreworks USA, Garner travels the country with his shows about Thomas Edison, Lewis & Clark, Ben Franklin, The Wright Brothers (& Sister!), Houdini, Archimedes and American Tall Tales. This will be Garner's third time at Claremont Opera House. Students, teachers, and even the Mayor, Charlene Lovett, have been entertained and educated by Garner's performances. For information on tickets, please call the opera house at 603-542-0064; cost: \$5 for children and adults. Schools should call opera house to reserve spaces.

Goncarovs to Address the February Meeting of the GMCWRT

WRJ, VT--On Saturday, Feb. 10, Guntis Goncarovs will be the guest speaker at the monthly meeting of the Green Mountain Civil War Round Table. The meeting will be held at the Bugbee Senior Center, 262 North Main Street, White River Junction, VT. Doors open at noon; an optional catered lunch from Big Fatty's Barbeque is available at 12:15 p.m., followed by a short business meeting at 12:45. The program, "The Men of the H.L. Hunley" will take place immediately after.

In February 1864, the Confederate submarine Hunley attacked and sank the USS Housatonic, a Union ship, but it did not survive the attack. All eight members of her crew were lost. In 1995, the sub was discovered and was raised in 2000. Its crew was still within.

Goncarovs has penned a novel of the men of the Hunley: "Convergence of Valor". Using the known facts, he worked a story around the men and their part in the events that led to the sinking of the Housatonic on Feb. 17, 1864, and the Hunley's mysterious disappearance shortly thereafter.

The meeting is open to the public. Reservations for the meal (\$12.00) must be placed by noon, Feb. 8 (Thursday) with Gail Blake at 802 296 2919 or auntis@comcast.net.

Those not having dinner will be asked to pay a modest door fee to cover expenses.

The College Experience: The Hideaway at OSU

By Bernadette O'Leary

With my daughter nearing college age, I often find myself recalling the college experience, which for me was 24 years ago. Within all the college norms that will never change are the camaraderie among new, lifelong friends, laughs, late evenings and going out to eat. My hometown of Stillwater, OK, is where one can find Oklahoma State University. It also boasts a beloved treasure for the college experience, as well as for the entire community, in the form of a restaurant called The Hideaway.

The Hideaway was opened in 1957, and today it continues to spread to locations all across the state of Oklahoma. What started out small is a dynamic force and a true Oklahoma treasure, especially in Stillwater, where residents and OSU students proudly boast about living where it all started. The Hideaway offers a peaceful atmosphere with trendy music playing overhead (usually retro), decor that includes unique kites and a collage of artistic images, and fantastic service with a friendly smile. The menu includes a large selection of delicious food: Sandwiches, salad, pasta, pizza, and more. While you wait, you can play a game of Pente with your companions or join your children as they color pictures of The Hideaway's signature vehicle, the Volkswagen Bug.

If you or your child is looking for a good college, consider OSU in Stillwater, OK. Whether local, from another state, or even from another country, OSU just might offer you or your child the college experience you seek. Throughout the year, the students enjoy a great many college and community activities that will keep them both busy and entertained. So check out OSU, and as you do, be sure to stop past the The Hideaway, a great place that earns a 5 on my scale of 1 to 5 for the food, the atmosphere, and the great servers. Try the fried mushrooms! Then, tell me what you think.

Stanley M. Kinney, 69

Stanley M. Kinney, 69, a resident of Charlestown, NH, died peacefully on Tuesday, January 30, 2018, following a short battle with cancer.

Stan was born on September 21, 1948, in Springfield, VT, son of Ida G. Kinney and Merrill Ralph Kinney. He spent most of his life in Charlestown, NH.

He worked as a career machinist with many years at Joy Manufacturing/Sullivan Industries in Claremont, NH, and later at Latva Machine, Inc. in Newport, NH, and most recently at Costa Precision Manufacturing in Claremont, NH.

Stanley found his greatest enjoyment spending time with his family and friends. He treasured gatherings with his children, grandchildren, relatives and friends. Those who didn't know him would find him to be a quiet soul. Those privileged to have gotten to know Stan and appreciate his welcoming manner found him to be a true friend, a kind person, and an amazing father and grandfather. He cared deeply for people who cared back.

A devoted Patriots fan, he could always be found watching football on Sunday with family. He enjoyed hunting, fishing, and playing horseshoes with “the regulars” on Monday nights and was always up for a game of Texas Hold'em. He was

also a familiar face at the local club enjoying a frosty and perhaps a rip ticket or two. What he treasured most, however, was the friendly comrades he saw on a regular basis.

Survivors include his sister, Sharon Rowe and her husband Rene of Charlestown; son Bruce Kinney and his wife Lisa (Buffum) Kinney of Charlestown; his daughter Julie Tewksbury and her husband Gregg of Keene; his daughter June Sweetsir and her companion Steve Walker of Charlestown; and who was thought of like his daughter Alyssa Parkhurst and her companion Randy Rhoades of Alstead; three grandchildren, Blake Pearson, Jenna Pearson, and Olivia Kinney; and many cousins and nieces and nephews. Stan was predeceased by his parents and brother, Herbert “Skip” Kinney.

A service was held at the Charlestown Memorial Chapel on Saturday morning, February 3rd.

In lieu of flowers, please make a memorial contribution to Home Hospice Healthcare and Community Services (HCS) at Marlboro Street, Keene, NH 03431.

-Dr. Sam Giveen

Dark green, leafy veggies like spinach, collard greens and kale are good for your eyes. Eat a diet rich in dark, leafy greens, and it can go a long way toward preventing macular degeneration. Call it tasty preventive medicine. Just start early. Eat your dark greens.
