

## Moose Season Sees 72% Success Rate in 2016

CONCORD, NH-- New Hampshire's 2016 moose season wrapped up on Sunday, Oct. 23. While hunters have until close of business today to register their moose at New Hampshire Fish and Game headquarters or regional offices, preliminary figures show that 52 hunters succeeded in taking their moose during the 9-day season. With a total of 72 permits issued, this represents a statewide success rate of 72%. That compares with last year's (2015) overall success rate of 69%.

The breakdown for the harvest this year was 45 bulls and 7 cows. Final season results will be available upon completion of registration data entry and analysis.

Around the state this year, preliminary numbers show moose hunters having a 91% success rate in the Connecticut Lakes Region; 81% in the North Region; 68% in the White Mountain Region; 50% in the Central Region; 60% in the Southwest Region; and 50% in the Southeast Region.

"It was phenomenal," said a successful hunter who took a cow moose that dressed out at 640 pounds on the last day of the season. It was the first big game animal he had ever taken. "Even if I didn't get anything, it would have been a great experience. I spent so much time in the woods over the last nine days, and it was so beautiful. I felt like I was hunting in a post card. I was just happy to be

there. I called in moose earlier in the week, but they were never close enough. Just calling them and having them respond was exciting."

Check out a growing gallery of photos and stories from this year's successful New Hampshire moose hunters at [www.huntnh.com/hunting/moose.html](http://www.huntnh.com/hunting/moose.html).

In all, more than 8,000 people entered the moose hunt lottery for a chance to win a permit for the New Hampshire moose hunt. Nearly 85 percent of the permits went to New Hampshire residents. The overall odds of being drawn this year were 1 in 75 for state residents and 1 in 327 for nonresidents.

"The moose health overall looked good," said NH Fish and Game Moose Biologist Kristine Rines. "Tick levels on harvested moose were similar to what we saw last

year. But it's too soon to determine the real impact of ticks this year, because that all depends on how long we go without sufficient snow on the ground to kill the ticks and stop them from questing onto moose. It's all about the weather, and the shrinking amount of time we are seeing snow-covered ground in New Hampshire."

## SHS Boys Soccer Moves On To Semi-Finals

For the first time in more than 23 years, the SHS varsity boys soccer team has advanced to the NHIAA division 3 state tournament semi-finals with an exciting 2-1 win over Campbell High School on Sunday. They are back in action on Wednesday at Laconia High School at 4:00 p.m.

"Very intense game," said Coach Jason Stone. "We ended up creating good chances for ourselves in the 1st half, we just couldn't put them away. Finally, Ethan Sweet scored on a nice pass from Noah Spaulding.

"The defense was great tonight. We stayed organized and played together. In the second half, Mitchell Paquette scored in a shot from 25 yards out. The rest of the way we just played defense together to secure a great team win."

Stone added, "We play against Belmont on Wednesday in Laconia at 4:00 p.m."

## Cards To Face Campbell In Playoffs

The Stevens Football team traveled to West Swanzey on Friday night to take on the 7-0 Monadnock Huskies, in the final game of the regular season in Division III. Stevens came into the game at 6-1 with a chance to secure a home playoff game but dropped a hard fought, physical contest, 20-6.

The Huskies opened the scoring on their first drive with a long touchdown run on a 4th down play, and with the extra point boot, went up 7-0.

Both defenses then went to work and neither team would score until midway through the second quarter when Monadnock scored a short touchdown run to make it 14-0. The Huskies would add to their lead just before the half, on another 4th down conversion, connecting on a touchdown pass. The extra point was no good but Monadnock had a 20-0 half time lead.

As they have done all season, the Cardinals, who have given up just 46 second half points all season, made some adjustments to the game plan and shut out the Huskies in the second half. Stevens would cut the lead to 20-6, on a third quarter, 25 yard touchdown pass from Henri Bourque to Zach O'Brien. Stevens had a couple of other drives deep into Monadnock territory but could not get in the end zone and the final score was 20-6.

O'Brien hauled in 5 receptions for 96 yards and the touchdown. The Cardinal defense forced 3 Huskie turnovers, with O'Brien, Joe Desilets, and Chris LaFont all recovering fumbles.

Stevens, who will be the 3rd seed in the North Conference of Division III, will play the 2nd seeded Campbell Cougars of the South Conference.

Both teams will be awaiting the NHIAA decision on which team will be home for the playoff game this coming Saturday at 1:00 PM. Campbell is the higher seeded team, however, Stevens had 96 points to the 94 earned by Campbell, which may factor into the NHIAA ruling.

## Monarchs Take Down Cyclones, 4-2

MANCHESTER, NH--The Manchester Monarchs closed out a three-game homestand with a 4-2 victory over the Cincinnati Cyclones on Sunday, Oct. 30 at SNHU Arena.

The Monarchs (4-2-0-1) and Cyclones (2-5-0-0) completed their season series, and will only meet again if both teams make the Kelly Cup Playoffs.

The Cyclones opened the scoring at 12:48 of the first period when Gabryel Boudreau netted his 1st goal of the season. Boudreau received a pass from Eric Knodel in the neutral-zone before walking into the slot from the left-wing boards to beat Monarchs goaltender, Sam Brittain, through the five-hole.

Justin Agosta evened the game for the Monarchs with his 2nd goal of the season at 13:29 in the first period. Leitner circled outside right circle to find Agosta in the high slot for a one-timer that he sent through the five-hole of Cyclones goaltender, Michael Houser, to make the score, 1-1.

The Monarchs extended their lead with Cory Ward's 4th goal of the season at 4:16 in the second period. Tony Turgeon threw the puck to the front of the net to a crashing Ward, who got his stick on the puck and deflected the puck low glove-side past Houser, making the score, 2-1, Monarchs.

Joey Diamond gave the Monarchs a 3-1 lead at 8:37 in the second period when he scored his 3rd goal of the year. Gasper Kopitar found Diamond in the slot from behind the net where he collected the puck surrounded by three Cyclones defenders and shot the puck high glove-side past Houser.

**Cory Ward scored his 4th goal of the season at 4:16 in the second period (Courtesy photo).**

The Cyclones bounced back with Rob De Fulviis' 1st goal of the season at 13:25 in the third period. Andrew Yogan found De Fulviis skating to the right-wing circle where he beat Brittain high stick-side with a wrist shot.

Gasper Kopitar finalized the win for the Monarchs with a short-handed goal from center ice into an empty net in the third period.

The Monarchs are back on the ice Tuesday, Nov. 1 (7 p.m.), when they travel to Glens Falls N.Y. to take on the Adirondack Thunder.

## One-on-One: Countryside Chat with Bernadette O'Leary & Bryan K. Borgman (aka Stratos)

### Stratos Artwork

By Bernadette O'Leary

My main stop for this Countryside Chat on the Road was The Mothman Festival in Point Pleasant, WV. While there, I had the pleasure of meeting the very talented Bryan K. Borgman, otherwise known as "Stratos" on his web page. He is a designer and sculptor who creates figures and more. His creations can be used for games or simply for enjoyment, whichever the customer wants.

I had seen Bryan's booth from far away while looking for tiny figures to buy, and I just had to check it out. I'm so glad I did! As I stood back to watch, I saw that children of all ages (from 5 to 50-years-old) loved the items at Bryan's booth. Once it was our turn, I saw why this man's booth was so popular.

My eyes feasted on a ton of sculptures of various sizes and colors. The two figures pictured here are roughly 2 - 2.5 inches tall. The teal one is of the famed Mothman himself, and the purple one is Bigfoot. I'm completely happy with my choices, and I'd love to get more. Bryan's prices were fantastic, especially for being located in a booth at a festival. The figures themselves blew my mind, and the detailing on them was amazing. I find myself examining them and turning them over in my hands again and again marveling at the attention Bryan took with every hair, every finger, and every small detail. It's clear that he loves his work and doesn't shy away from making even the most complicated creature look marvelous. These handcrafted sculptures stood out in both artistry and color. Weeks later, I still enjoy taking them down from the shelf and looking at them with my children. As for Bryan himself, he was very down-to-Earth and kind. He even had a way with my son, who often won't speak to strangers easily due to being a bit shy with them. It was a real pleasure to meet him and pick up a couple of his works of art. I can't say enough great things about both Bryan and his work. I recommend anyone and everyone who enjoys the more unique side of entertainment, gaming, and collecting to check out Bryan's work.

If you love the unusual as I do, you'll love Bryan's work. Visit him online today at <http://www.kaijukaos.com/> to see all that this skilled artist has to offer. As you can tell by his business card, he is a Jack-of-all-trades, and he has a little something for everyone.

## **“The Diary Of Anne Frank” To Be Presented**

NEWPORT, NH--On November 11th, the Performer's Playground's studio on John Stark Highway will come to life, presenting “The Diary Of Anne Frank”, the story of a brave and precocious young girl as she and her family spend 2 1/2 years in the secret annex that became their home during the final years of World War II.

The cast of “The Diary of Anne Frank” is made up of talented Sullivan County youth ages 12 - 17. But don't let their ages fool you. This cast and crew have dedicated over 70 hours to this production. Many have also taken part in an Extended Learning Opportunity in partnership with Newport High School, where they have learned the time-period, politics, and circumstances around the rise to power of the Nazi party and the events that brought the Frank family to the secret annex.

The show opens November 11 and runs through November 19. Tickets are \$10 adult and \$5 students. More information can be found at [www.theperformerplayground.com](http://www.theperformerplayground.com).
